## Description

This report represent results by the nation thaving the best score Brazil Uruguay, Argentina,France ,Italy,Germagny .

The World Cup final matches are the last of the competition, and the results determine which country's team is declared world champions. If after 90 minutes of regular play the score is a draw, an additional 30-minute period of play, called extra time, is added. If such a game is still tied after extra time it is decided by kicks from the penalty shoot-out. The winning penalty shoot-out area team are then declared champions.The tournament has been decided by a one-off match on every occasion except 1950, when the tournament winner was decided by a final round-robin group contested by four teams (Uruguay, Brazil, France, and Spain).
